

RCC Regions

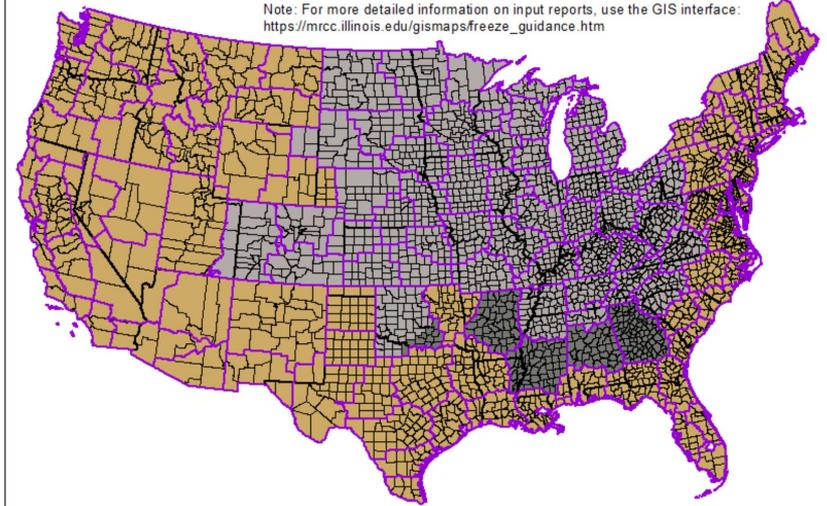

Vegetation Status

Vegetation Freeze Susceptibility Guidance
per NWS and non-NWS input
as of 9:27 AM CST on 1/25/2021

Note: For more detailed information on input reports, use the GIS interface:
https://mrcc.illinois.edu/gismaps/freeze_guidance.htm

MRCC Experimental Freeze Guidance:
These experimental maps may be utilized as a guide to local and regional
freeze conditions but should NOT be used by themselves for decision processes.
